Bill -

As requested you will find the ICAP tags for the current period (6/1/07-5/31/08). Please let us know if you have any additional questions on this information.

As I mentioned to you today, CL&P and WMECO now include the ICAP tag value on its 867 usage history outbound transaction and its 814 enrollment confirmation transaction. The current process of requesting the tag value via spreadsheet will no longer be available for manual processing. Any outstanding requests will be completed, but new requests will be returned to the requestor.

Please share this information with all those in your organization where appropriate.

After you have reviewed the ICAP tags, and questions regarding the ICAP tags should still be directed to RBGLVISO@nu.com.

thanks -
Karen

Request for ICAP

Hello,

I would like to obtain the ICAP's for the attached accounts. I have received usage from Sharon Talbot and Stacy Hoyt. Stacy provided this form so that I could obtain the ICAP.

I appreciate your quick response!
